NOTE FROM ACTING HEAD TEACHER

As-salaamu alaikom

Today is the last day of school - yet the joy and excitement both pupils and teachers usually feel, is missing. Instead, we all have heavy hearts brought on by the uncertainty of what the next months will bring. We all have vulnerable loved ones who we are worried about, and the sudden new reality we find ourselves in, is one most of us have only ever witnessed on the evening news from the comfort of our settees.

And Allah swt is the best of Planners. I have already learnt so many lessons since the beginning of this new reality, where what we took for granted, no longer is granted.

Our constant is our faith, al hamdu'lillah. Rediscovering the beauty of our religion in this very situation we find ourselves in, subhan'Allah.

NHS guidance on 'washing hands', 'sneezing' and 'coughing' - in line with what our Prophet (sws) used to do, i.e. cover his mouth when he coughed or sneezed.

Official advice on keeping our surroundings clean, wiping down surfaces, in line with our Prophet's (sws) sayings, 'Cleanliness is part of our faith'.

The lockdown that we are finding ourselves in, in line with what our beloved Prophet Muhammad (sws) said: 'If you hear of an outbreak of plague in a land, do not enter it; but if the plague breaks out in a place while you are in it, do not leave that place.'

We will continue with our weekly newsletter (uploaded on Facebook, our website and emailed to you), and we are looking forward to contributions from our teachers and pupils who will give us insight into their experiences of teaching and learning from home.

I would like to thank all our parents for their amazing support this week; offers of help have been flooding in and we are truly grateful for your support. It is a blessing to be part of such a wonderful school and amazing school community. May Allah swt reward you, make the coming months easy for everyone and protect and guide us all, insha'Allah.

HADITH OF THE WEEK

The Prophet(saw) said: Allah will cover up the faults on the Day of Judgment of those who cover up the faults of another in this world
(Muslim).

The Right of the Fortnight
Every child has the right to an education.

Grow Your Own Potatoes Challenge

Year 3 and Nursery were planting potatoes as part of the Grow Your Own challenge. We hope that when we eventually return to school, we will have a good crop to harvest!

Juma'ah Special

We were singing nasheeds to uplift and create positivity in assembly today.

The khutba was about patience today.

HIGHLIGHT OF THE WEEK

Year 3 and 5 were packed all the grocery donations into bags all ready for delivery. Mrs Ghafari and Mrs Chaudhry delivered the bags to the elderly neighbours. We have also let them know they can call school if they need any support over the next few weeks.

NURSERY

For our topic on 'Transport' the children went to the playground and did a 'Transport survey'. They were all very excited about sitting on the floor holding their clipboards and looking out for the different types of transport that passed on the road.
