

Note from Acting Head Teacher

As-salaamu alaikom

It's only been a week and I miss the 'salaams' and smiles of our wonderful children.

We are living in unprecedented times and have come to the end of our first week of home learning. Our top priority is that our pupils, parents and staff are safe, and our next priority is that learning can continue for our pupils at home. Learning remotely, as I am sure pupils, parents and teachers are aware, is not the same as learning in school. Teachers have done a fantastic job of carefully selecting daily learning activities for our pupils and the great team work between home and school has resulted in excellent work by pupils which I have seen on both Dojo (Yr1 - Yr6) and Tapestry (EYFS), masha'Allah.

I would like to thank our parents for their support, uplifting words of appreciation and recognition of how much preparation has gone into getting ready for home learning.

These are challenging times, and Allah is the best of Planners. This will all be over when Allah wants it to be. We must always put our trust in Allah and continue to seek his pleasure by doing good deeds and ask for His help, support and protection.

HADITH OF THE WEEK

The Prophet (SAW) said:
"Believers are like one body
in their love, mercy and
compassion to one another.
When one part of a body is in
bad health, the rest of the
body joins it and is busy with
its treatment."

[Bukhari]

The Right of the Fortnight

**Every child must be
free find information
they want as long as
it is in the law**

Home Learning Highlights

Reflection on Home Learning by Mrs Fiaz—Year 5 Teacher

Who would have thought at the start of the school year, or even the start of this half term that we would be beginning a new journey into Home Learning! I am very impressed with how smoothly Year 5 have been using Class Dojo and uploading their work.

My dining table has become my desk! I really miss Year 5 and our classroom but seeing how everyone is persevering and staying positive in this trying time, has made life a lot easier Alhamdulillah!

May Allah SWT help us all through this time to keep patient with this situation, stay kind to each other and continue to be grateful for the things that we do have such as family, friends and a continued education. Roll on Week 2 of Home Learning!

"Our amazing team in school for Key worker pupils, but making sure they keep their distance. Alhamdulillah, people have listened to advice so very few children came to school."

CORONAVIRUS
STAY AT HOME
SAVE LIVES

The only reasons to leave home are to:

- ✔ shop for basic necessities, pick up medicine, travel to work when you absolutely cannot work from home and exercise once a day – alone or with members of your household.
- ✘ Do not meet others, even friends or family.
