Dear Parents / Guardians,

**Re: Urgent Response Required - Key Worker Information**

Assalamu alaikom

We are writing to you regarding yesterday's announcement from the Prime Minister, Boris Johnson that all UK schools must close due to the spread of Coronavirus. We are therefore officially notifying you of the **closure of MMPS with effect from tomorrow, Friday 20<sup>th</sup> March 2020 at 3:30pm.**

This is an extremely difficult situation which impacts us all, but we believe that the closure of schools is necessary to ensure the safety, health and wellbeing of everyone and prevent further spread of the virus.

Vulnerable children and children of key workers will continue to be able to come into school as normal. Examples of key workers include NHS staff, police and delivery drivers who need to be able to go to work. This list may be further updated by the government. Vulnerable children include those who have a social worker and those with educational health and care plans.

Children who will come into school will be supervised and given access to learning resources prepared by their teacher for their class and complete the same tasks as those given to their peers who are working from home.

Please be assured that we remain fully committed to the ongoing education and wellbeing of all our pupils.

If you are a keyworker **and** need your child to attend school in order to go to work, please email the details listed below to Mrs N. Mian, Deputy Head Teacher tomorrow, no later than 12pm so that necessary arrangement can be made.
