Dear Parent/ Guardian

Assalamu Alaikum

I hope this letter reaches you in the best of health and Imaan.

I am writing to all year 3 parents in regards to the D & T topic which will be covered this half term. Our topic is 'edible garden', which provides an opportunity for children to learn where and how a variety of ingredients are grown. Firstly, children will learn how to plant seeds and care for their plants, which can be used in their cooking. They will learn how to cook with the ingredients they are growing, following recipes and using different kitchen equipment. The lessons take into account the appropriate safety and hygiene rules.

We will be using food produce such as: herbs, fruits, vegetables, yoghurt, bread and pasta during our lessons, which the children will have opportunities to taste.

If you have any concern with your child tasting any of the ingredients above, please do let me know.

JazakAllah khair,

Mrs Rahimi
