NOTE FROM HEAD TEACHER

Dear Parents

As-salaamu alaikom

Our second week back and everyone is settling into their new routines. Homework has started going out and reading books are sent home – the latter going into quarantine when returned back to school.

Zoom, Zoom, Zoom!

Last Friday we held our first Zoom Assembly and on Monday we will host our first Parent Information Meeting on Zoom. We hope that meetings will run smoothly without any technical glitches! Some more information about the format of the meetings and login details will be sent, insha'Allah.

I am looking forward to seeing all our parents online over the next two weeks, insha'Allah, and wish you all a relaxing weekend.

HADITH OF THE WEEK

Narrated Abu Huraira:

The Prophet(saw) said, "The example of a believer is that of a fresh tender plant; from whatever direction the wind comes, it bends it, but when the wind becomes quiet, it becomes straight again. In the same way, a believer has problems (but he remains patient till Allah removes his difficulty.)

(Bukhari)
