## SCIENCE & HUMANITIES

In our 'Rocks' topic, we will learn about the different types of rocks and how they are formed. Children will compare and group rocks based on appearance and simple properties.

In this unit, the children will explore how life changed for people during different periods of the Stone Age, including the Early, Middle and New Stone Ages. They will cover why the period was called the Stone Age.

## COMPUTING

**Stay safe online - stay safe online:** focus on the dangers of online gaming platforms; how to search effectively trustworthy websites, cyber bullying and various online issues.

Lessons are build as focus groups in order to allow pupils to share their online experience. Pupils are given hands-on practice using online safety activities.

## ART/ D&T

This 'Autumn' themed unit will teach your child about how to use pencil, colour, paint, print, collage and paper to create quality art work that shows progression in skills. The children will also have the opportunity to explore the work of several paintings of Autumn scenes, as well as explore works by Matisse and by Cezanne.
