## NOTE FROM HEAD TEACHER

Dear Parents  
As-salaamu alaikom

I am taking the opportunity of the last newsletter of this half-term to express my gratitude and thank:

Our pupils for returning back to school with contagious eagerness, getting stuck into their learning with a positive attitude and following endless new rules with maturity

Our parents for their unwavering support as we navigated through sometimes stormy seas. We have had many, many messages of praise and appreciation this half term, and this greatly contributed to keep us all upbeat day-in, day-out.

All our staff for their positive approach and resilience in the face of new challenges, ever-ready - with teaching-from-home-equipment bags packed - to switch to online teaching

And finally a special thank you to Nahla Borghol from our admissions team who has been with us for many years; her designer skills and contribution to marketing have been greatly appreciated. Mrs Borghol and family will move abroad and we wish her all the best for this new chapter in her life.
