

14th October 2020

Salaam Parents and Reception pupils,

Re: Remote Learning

Over the next coming days, whilst our Reception class are self-isolating, they will engage in remote learning.

Teachers will upload a Maths video alongside related activities for you to do in the morning and a Qu'ran lesson (Monday to Thursday) followed by a phonics video with a Literacy activity mid-morning. In the afternoon they will have a foundation subject such as Art or Understanding of the World.

Please sit with your child and help your child to engage with the videos and complete the work. Then kindly upload a photo of their work (or if specifically requested, a video) as soon as they have finished each lesson, so that the Reception staff can keep on top of marking all of the submissions, rather than being inundated at the end of the day with the whole day's work.

When uploading work, please do not comment under the lesson, but create a separate observation where we will spot the comments.

If you have any issues or questions please write your question as an observation and title it 'Dear Miss Grant' so we can respond as quickly as possible.

Thank you in advance for your support.

We ask for shifa for those affected and ask for Allah's protection from harm.

Jazak'allah Khair

Wasalaam

Mrs D. Ghafari
Head Teacher
