Re: Parking when dropping off and collecting children

Dear Parents and Carers

Assalamu alaikom

I hope this letter finds you in good health and strong Imaan.

Parent feedback on the Covid induced staggered timings for drop-off and collection of pupils has been positive, as parking has become a bit easier. However, we unfortunately had several reports, by both parents and residents, of inconsiderate and sometimes dangerous parking by parents.

I am sure that you are aware of our continuous strive to build and maintain good relations with the school's surrounding community and our neighbours in particular.

Unfortunately, all our our good intentions and hard work is dampened by some of our parents' inconsiderate parking, e.g. by blocking residents' driveways and parking on double yellow lines which can pose an obstruction and huge safety risk for other drivers and pedestrians.

I therefore, once again, urge our parents to park sensibly, considerately and legally when dropping off and collecting their children.

I am sure that I can count on your support in this matter.

Jazak'Allah khair.

Kind regards

Wasalaam
