

24th November 2020

Dear Year 1 Parents and Carers

As-salaamu alaikom

I hope this letter finds you in best health and strong Imaan.

I am writing to inform you that unfortunately Mrs Choudhury has tested positive for Covid-19. She started to develop symptoms on Monday and was not in School during her infectious period. Therefore, Year 1 pupils are not affected and will not need to self-isolate.

Mrs Choudhury will continue to plan and send work for Year 1 to Mrs Hatahet who will cover for the 10 day period.

Unfortunately Parents evening for Year 1, which was due to be held on 2nd December, has to be postponed. A new date will be set once we know how Mrs Choudhury is recovering. Parents will be notified of the new date and will have to rebook an online slot.

I am sure you will join me in wishing Mrs Choudhury a speedy recovery Insha'Allah.

Jazak'Allah khair.
Wasalaam

Mrs D. Ghafari
Headteacher
