

Year 1

Topic List

Class Teacher : Mrs Choudhury

Teaching Assistant: Mrs Aslam

Autumn 2 2020

MATHS

Place value and representing numbers

Focus on reading, writing, comparing, ordering numbers to 20 and beyond; adding / subtracting 1 or 10.

Addition and subtraction

Focus on using number facts; representing addition and subtraction with concrete objects.

Position and direction; length

Focus on establishing position and direction, then comparing and measuring lengths with uniform units.

Addition and subtraction; money

Focus on counting on or back 1 / 2 / 3 and recognising coins, then finding totals

SCIENCE

The 'Seasonal Changes' (Autumn and Winter) unit will teach Year 1 about the four seasons, with a particular focus on autumn and winter. Children will learn what the word weather means and find out how different types of weather can be measured. The children will use a class weather station to observe, measure and record the weather across the seasons. They will also observe changes across the seasons by exploring the signs of autumn and winter through nature and wildlife. Children will also work scientifically by collecting, recording and interpreting simple data.

ENGLISH

Non-Fiction

The children will read the ebook 'Who Lives Here?' linking the text to their own experience. They will use maps to recall the sequence and ask questions about events in the ebook. They learn about different uses for capital letters and use these in their writing. The writing task involves composing factual sentence about animals and writing a nature diary using a model.

Poetry

The children are introduced to the idea of the unit: that they will present poems to an audience and become poetry stars. As a class, they will read and recite a variety of poems, practising reading them in different ways (adding actions, expression, etc.) to develop their skills. They will practice ways to learn poems off by heart. They will practise joining words to make sentences and using the punctuation to help read for meaning. After some teacher modelling, they will write letters to invite people to their poetry star performance, rehearsing sentences orally before writing them.

HUMANITIES

This term in Humanities the children will investigate the lives and journeys of four explorers from various eras. The children will learn about the lives of significant individuals in the past that have contributed to national and international achievements.

ART

Animal sculptures using clay

P.E

PE

Bench ball

QURAN

Memorisation: Surah al-Fil, al-Humazah

Revision: previous surahs including Al-Qariah, At-Takathur, Al-Humazah and others

Reading: Read two-letter words with Fatha. Write letters in various forms (beginning, middle and end – one and two-letter form).

PSHE

This unit is called 'Be Yourself' It is inspired by the idea that having confidence to 'be yourself' can have a positive impact on mental health and emotional well-being.

COMPUTING

Learning the basic features of Microsoft Word

ISLAMIC STUDIES

Our Shahadah, Allah gives us money, our duties to Allah.

Asalamualaikum/greeting others, kind words and actions,
