

# Nursery Topic List

**Class Teacher** : Mrs Osman

**Key worker:** Mrs Jahan, Mrs Al-Sabah &  
Mrs R Chaudhry

**Autumn 2**

## COMMUNICATION AND LANGUAGE

This term we are focusing on developing our listening skills by listening to stories and singing rhymes in small groups.

The children are going to recap and retell experiences and learn how to use the correct vocabulary.

We will learn how to take turns to listen and speak during circle times.

The children will develop the confidence in speaking in a group during our 'Show and Tell' activities.

## PHYSICAL DEVELOPMENT

Nursery will be using the bikes this term and learn how to pedal.

When playing with balls, the focus will be on throwing and catching.

The children will continue to develop their gross motor skills with activities like running, jumping, and learning to hop and skip.

Fine motor skills activities will include self-registration (with the focus on pencil control), painting and modelling using play dough.

## PERSONAL, SOCIAL & EMOTIONAL DEVELOPMENT

We will continue to learn to share and take turns by playing lots of board games

The children will have plenty of opportunities to learn about taking turns to speak and listening to others in our 'Show and Tell' activities through our topic work on colours.

Self-care skills like toileting, putting on coats and fastening them on will be given a lot of focus this term, with the children working with their key person to master these skills.

## QURAN

Memorisation: Start Surah Al-Fatihah,

Reading: Introduce the letters of the alphabet from ا – ĩn nursery rhyme format, then show it to them on the alphabet chart.

## ISLAMIC STUDIES

The children will continue to recite the dua before we start eating.

We will also continue to learn about Islamic manners and greetings e.g. saying 'Subhan Allah', 'Masha Allah', 'Alhamdulillah' etc.

They will also learn the dua we recite after eating.

We will be learning about Allah

We will focus on Allah the Creator

We will also learn some of the names of Allah.

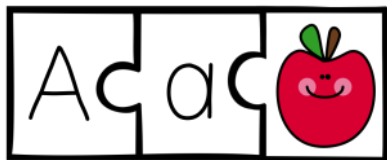

## PHONICS

In Phonics we are going to be covering Phase 1 Aspect 2 – Musical Instruments

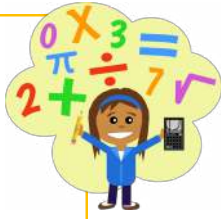

The children will learn to discriminate sounds by using musical instruments.

These activities will also promote speaking and listening through the use of musical instruments.

The children will also learn to use a wide vocabulary to talk about the different sounds and names of instruments.

## MATHEMATICS

We will be learning to count correctly and give each object a number name.

They will learn to count using a lot of different ways and situations e.g. when picking leaves outdoor or when sharing marbles with their friends.

We are going to continue to learn to recognise numbers from 1 to 10.

The focus on language of compare this term will be long and short.

The children will learn to use the correct vocabulary when comparing lengths using a wide variety of objects.

## TOPIC LIST

Our Nursery will be colourful because our topic for this term is 'Colours'.

- We will start by looking at Autumn colours.
  - We will focus on one colour a week.
- We will have a colour table for the 'Colour of the Week'
- We will be doing 'Colour Tasting' and colour mixing activities.
- We will be making colourful collages and rainbows.
