Dear Parents/Carers,

Re: First Week Back in School R - Yr6

Assalamu Alaikum,

I hope this letter finds you in good health and strong Imaan.

It is very uplifting to be part of a school filled with pupils once again and to be met with so many happy faces as I walk around school.

Pupils spent part of the first day catching up with peers and teachers report that they are pleased to see pupils settling back into school life.

Part of this week is dedicated to assessing pupils. All pupils have been assessed on maths topics covered during Spring 1 which will allow teachers to carefully plan next steps and ensure there are no gaps in learning.

Throughout the lockdown there has been a focus on reading, and pupils in Reception and KS1 (Yr 1 & Yr2) are being assessed on phonics and recognition of sight words this week. All children will also be reading to an adult and reading books will be sent out from next week.

Please look out on Class Dojo for messages from your child's class teacher for further information on reading books.

Jazak'Allah khair
Wasalaam
