Dear Parents / Carers

Re: Keep school updated regarding Covid 19 during Spring holidays

Assalamu alaikom

We are coming to the end of the Spring term and, Alhamdu'lillah, things have been running smoothly since our pupils' return after lockdown.

I pray that Allah SWT continues to keep us safe and thank our parents for adhering to Covid guidance and procedures and helping us to keep our pupils, and by extension their families, safe.

As you are aware, the school will be closed for Spring holidays from midday Thursday 1st April, until and including Monday 19th April 2021.

If your child is currently waiting to take a test or to receive the results of a test, I would be very grateful if you could continue to follow the process of informing the school if there is a positive result.

You can use our 'out of hours' text messaging service:

0770 999 0560

<https://www.mmeps.miet.uk/contact/covid-reporting/>

By continuing to let us know if your child tests positive, we can notify and advise you and any close contacts with regards to the length of isolation and when it is safe to go out or return to work to ensure that the risk of transmission is reduced.

Should your child be identified as a close contact of someone who has tested positive within the school, you will be contacted by the school and informed about the required isolation period.

I know we can count on your continued support and pray that you all stay safe.

School Office

Please note that the school office will be closed during the Spring holidays and will reopen on Monday 19th April, 10:00 am.

The bursar can be contacted via email from Tuesday 5th April throughout the Spring holidays.

Once again I wish you all a restful break, wonderful times with family and loved ones and a good start to the blessed month of Ramadan.

Kind regards

Wasalaam
