NOTE FROM HEAD TEACHER

Dear Parents / Carers,
As-salaamu alaikom,
We are coming to the end of a Summer Term 1, and are looking ahead to the last term of this academic year – time flies, subhan'Allah!
Summer 2 will be a busy term, with parents' evenings, Quran competition, bikeability, scootability, enterprise week and of course, end of year exams. But before we get busy, busy... we are looking forward to a hopefully sunny half term break.
Have a great holiday!
Mrs Ghafori

COMING UP

Bikeability training:
Year 5 and 6
June 7-11th

Half term holidays
31st May-4th June

AYAH OF THE WEEK

"You will not attain righteousness (piety) until you give of what you love. (3:92)

The Right of the Fortnight

Article 32

Governments must protect children from work that is dangerous or might harm them.

HIGHLIGHTS OF THE WEEK

We're going on a 3D shape hunt!

Reception class discovered lots of shapes in the playground

This is so much fun! (Yousaf)

Year 3 posed the question: Do the tallest children have the longest arms? They investigated by lining up in height order and measuring arm length to see if there was a pattern linking increasing height to increasing arm length?

Year 5 have put their gardening skills to the test by weeding the entire outdoor learning area. Some children were reluctant at the start but very quickly started to enjoy it. Well done Year 5. You did a superb job!

In art, Year 6 are using wire to mould flower sculptures and papier-mâché to fill the petals.
