Summer 1
2021

MATHEMATICS

Place Value

Numbers 101 to 200; count in 100s to 1000; Locate, order and compare numbers on marked and unmarked lines

Addition & Subtraction

Use number bonds and number facts to solve additions and subtractions; understand subtraction as difference; add and subtract two 2-digit numbers

Multiplication & Division

Find a quarter of numbers up to 40; begin to find $\frac{3}{4}$ of numbers; find $\frac{1}{2}$, $\frac{1}{4}$, and $\frac{1}{3}$ of amounts; spot patterns and make predictions

Measurement

Measure weight using standard or uniform non-standard units; draw a block graph where one square represents two units; measure capacity using uniform non-standard units; measure capacity in litres and in multiples of 100ml

ENGLISH

Non-Fiction

In this unit, the children read two humorous stories. They use drama techniques to explore and empathise with the characters, role-playing scenarios and considering how characters change over the course of longer stories. They revise their knowledge of commands and apply these in the short writing tasks: writing an advert and writing a set of instructions. Finally, they write their own story using the text as a model.

Poetry

In this unit, the children explore poems with themes and language that are funny and engaging. They explore alliteration, onomatopoeia, repetition and rhyme, comparing poems and responding to humour and word play. They create, edit and evaluate stanzas and poems based on models.

Grammar

Progressive Form of Verbs

Apostrophes for Contractions

SCIENCE

Plants

- Observe and describe how seeds and bulbs grow into mature plants
- Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.

HUMANITIES

Where does our food come from?

- Understand geographical similarities and differences
- Use locational and directional language to describe the location of features and routes on a map

PSHE

Relationships

- learn ways in which we are unique
- identify and respect the differences and similarities between people
- know about change and loss and the associated feelings
- think about themselves, to learn from their experiences, to recognise and celebrate their strengths and set simple but challenging goals

COMPUTING

Microsoft Word: students develop further their Computer Keyboard and Mouse skills by creating own stories using interactive software.

ART

Let's Sculpt!

To develop a wide range of art and design techniques in using line, shape, form and space, in the context of making sculptures from unusual materials.

ISLAMIC STUDIES

- Prophet Shuaib
- Behaviour towards people of other faiths
