Dear Parents/Carers,

Re: School Uniforms

Assalamu Alaikum,

I am writing to you to update you about what is happening regarding school uniform.

School uniform will be reintroduced in the next academic year and all our pupils will be expected to return to school in September 2021 dressed in our smart, royal blue uniform, insha'Allah.

Many of you are aware that parents complained to school about our school uniform supplier. As a result, we sent out a questionnaire to all parents to ask their views about quality and customer service; the overwhelming majority of our parents expressed deep dissatisfaction with the customer service and we consequently terminated the contract. As a result, MMPS had to purchase the remaining stock from our uniform supplier at retail price and paid more than £5,000.

The uniform has been put into storage and now that the weather is improving, we intend to start selling the items in the school playground - in a Covid safe manner.

We will sell all items at below retail price of both our old and newly appointed supplier - on a first come first served basis. Items that have been sold or are out of stock, can be obtained from the new supplier during the summer holidays. Details and price lists will be sent to parents nearer the time.

I hope that parents will make most of the opportunity of buying new uniform items at a reduced price - this will also help school to get back some of the monies we had to spend on buying up stock - monies that can be put to better use and benefit pupils.

We will start selling uniform items in the second after the half term holidays - one class at the time to ensure social distancing can be observed. Sale will be in the playground and is thus weather dependent.

Please see table below for the price list. We will send a class rota and operational details after the holidays.

TYPE OF GARMENT	SIZE 24"-36" CHEST
BLAZER	£27.00
JUMPER KNITWEAR	£13.00
CARDIGAN KNITWEAR	£14.00
