Dear Reception Parents,

Re: Reception Update

As-salaamu alaikom,

I hope this letter finds you and your families in good health and strong Imaan.

I would like to give you a brief update on what is happening in Reception at the moment.

This week our Reception pupils are informally assessed against the early learning goals; the outcome will be shared with Miss Grant.

Miss Grant - I spoke to her yesterday - is making a steady recovery, al hamdu'lillah, and we hope that she is able to return to school the last week of Summer term.

Miss Grant will be writing the end of year school reports for Reception children - health and recovery permitting they will be sent to parents before the end of the term. However, if Miss Grant needs more time due to health reasons, there would be a delay and I trust your support and understanding.

I am sure you will join me in wishing Miss Grant a speedy recovery.

Jazak'Allah khair

Wasalaam
