

2<sup>nd</sup> July 2021

Dear Parents/Carers

**RE: Enterprise Week Year 1 –Year 6**

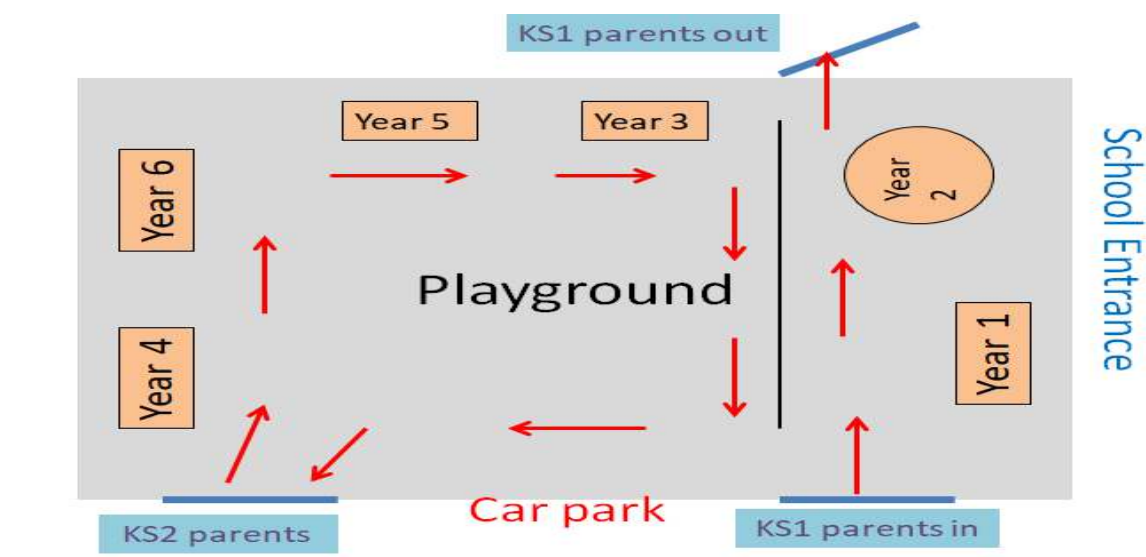

Next week 'Enterprise Week' will take place in school.

Each class will be working throughout the week and use their creativity to generate ideas to design a product, create advertising and branding, develop a pricing strategy, make the products and - of course - sell. This will encompass skills from English, Maths, Geography, Design Technology, Art, promote team work, strategic planning and much more.

The 'Grand Finale' for Enterprise week will be '**The MMPS Enterprise Market**' on **Friday 9<sup>th</sup> July: 2.30pm – 3.15pm**. Stalls for each class will be set out in the playground and pupils will sell their products. Make a note in your diary to come on Friday 9<sup>th</sup> July.

There will be a one way system (see below). All adults will be asked to strictly observe social distancing rules and wear a facemask (unless exempt).

Parents will be asked to visit stalls of their child/ren's class/es only and to walk past other stalls to avoid crowding.

## Payment

Each stall will be taking cash payments. There will be a no-change-given policy in operation so money does not need to be handled; rather it will be thrown straight into a container by parents and left to be counted by pupils the following week.

Pupils in each class will decide what they want to use their sale profits for; there is an element of competitiveness as we will announce the class who managed to make the most profit.

## Hometime

Home time will be as usual for each Key Stage. However, parents coming to the market will be permitted to take their children home after shopping.

Please keep your eyes on Class Dojo for more updates from your child's class during the week!

We are all looking forward to next week and I am sure that, as ever, our parents will be both generous and supportive of Health & Safety protocols in place on Market Day to help us ensure that the final day of Enterprise Week is both successful and safe.

Kind regards

Wasalaam,
