All the games / platforms below have been listed by our pupils - in particular in upper KS2 (Year 5 and Year 6) - when asked what games they are playing online and what platforms they are accessing.

Quite a few of them, namely:

- Squid Game
- YouTube
- Discord
- Fortnite
- Facebook

are *age-inappropriate* with ratings of 12+ and over.

More recently, there has been much controversy in the press around the ‘Squid Game’ and children acting out violent scenes in primary school playgrounds.

Dear parents, please ensure that you are ‘in the know’ about what your children are doing online. Ensure that the games they are engaged in are age-appropriate and that you have set up all the parental controls to ensure they are as safe as possible.

Jazak’Allah khair
