## MATHEMATICS

### Addition and Subtraction (within 20)

- Find and make number bonds
- Add numbers within 20 using knowledge of number bonds
- Subtraction within 20.
- Addition and subtraction fact families for numbers within 20.
- Compare number sentences within 20 using inequality symbols.

### Place Value (within 50)

- Counting forwards and backwards within 50
- Partition numbers using tens and ones
- One more and one less than given numbers up to 50.
- Compare numbers within 50 using inequality symbols.
- Order numbers using language: largest, smallest, more than, less than, least, most and equal to.
- Counting in 2s and 5s up to 50

## ENGLISH

### Fiction: Once Upon a Time

In this unit, the children explore a range of fiction and fairy tales. They will explore the texts, listening and responding to the stories then re-telling them in their own words. Pupils will learn how to identify and understand character and events, linking these to their own lives and experiences. They compose and write simple sentences and questions.

Texts in this unit: Mary and the Twelve Months and The Four Singers

### Word Detectives

Children take on the role of word detectives to investigate spelling patterns and generate their own spelling rules.

- Explore regular plural noun suffixes ('-s' and '-es')
- Introduce the terms singular and plural and the concepts behind them. Learn the spelling rule for regular plural noun endings
- Syllables
- Suffixes '-ing', '-ed', '-er' and '-est'

## SCIENCE

In this unit, the children will learn about everyday materials including wood, plastic, metal, water and rock. Children will learn to identify and name everyday materials and explore the properties of these materials. They will carry out a simple investigation to help them decide which material would be most suitable to use for an umbrella. At the end of the unit, children apply their knowledge of everyday materials to sort objects by their properties.

## HISTORY

### Kings and Queens

In this unit, children will explore significant British monarchs in history and study in detail the life of Richard III. They will also be making comparisons between Elizabeth I and Queen Victoria. This history unit consolidates the children's awareness of the past and significant individuals through using timelines and making comparisons between various periods in history.

## ART

### Fabric Weaving

Children will weave paper and other materials to create placemats, inspired by textiles artist Gunta Stolzl. Children will learn about the decorative art of Gustav Klimt before adding decoration to their placemats. Children will then learn about the use of traditional batik in Indonesia and around the world before designing and making their own batik coasters.

## PSHE

### Money Matters

This unit encourages children to think about where money comes from and how it can be used. Children will discuss the idea of spending and saving their money and begin to understand why it is important to keep belongings, including money safe. They will also learn about how we need to identify the difference between the things we want and the things we need.

## PE

### Attacking and defending

This unit will teach the children skills players need in different team games. They will learn about attacking skills, such as passing a ball to another player, and dodging defenders. They will develop their defending skills, looking at how to mark players and how to defend a space. Children will have the opportunity to play a range of mini team games to help them identify and improve their skills.

## QURAN

**Memorisation:** Surah az-Zalzalah

**Revision:** previous surahs including al-Adiyat and al-Qariah

**Reading:** Begin reading from the book: "Easy Quran Reading" by Mustafa Elgindy

## ISLAMIC STUDIES

Prophet Sulayman (as), beautiful names of Allah, Al-Alim, Al-Basir, Ar-Razzaq, Al-Qawi
