Dear Parents/Carers,

Re: Car Parking Reminder

Assalamu Alaikum,

Praying that you are in the best health and imaan.

“The best neighbour to Allah is the best to his Neighbours,”

(At-Tirmidhi)

We are sure that you are aware of our continuous strive to build and maintain good relations with the school’s surrounding community and our neighbours in particular.

Unfortunately, all of our good intentions and hard work is dampened by some of our parents’ inconsiderate parking e.g. by blocking residents’ driveways. This downplays all the positive reinforcement that we have worked so hard to try to create and maintain.

Unfortunately, this matter was brought to our attention yet again when one of our neighbours approached Mr Anwar and complained that it had taken him 20 minutes to get out of his drive to attend an appointment because a car had blocked him in. It only takes one incident, one poorly parked vehicle for the issue to escalate again.

We therefore urge and appeal to all our parents to please park legally and show consideration to all our neighbours.

Jazak’Allah khair

Wasalaam
