Dear Parents and carers,

Assalaamu Alaykum

Alhamdulillah the worst of pandemic is past us but it has left its mark on families, on our psyche, on the economy, etc. It will take some time for most things to go back to what we can now think back as being "normal".

MIET schools and the staff have tried, and are trying, to ensure our students, our children, do not suffer any disadvantage, however, given the state of our economy and continuous very large increase of our energy and other bills have forced us to increase our fees. We are aware that currently things are not easy for any of us but for these schools to continue to provide outstanding service and education, we have to meet our costs and obligation to our staff. It has therefore been decided to increase each school's fees, as per the current practice, to be paid over 10 months.

MMPS

Nursery	increase of £27.50/month (Total fees £5,900)
Reception & Primary	increase of £30.00/month (Total fees £5,700)

MIGSG

increase of £30.00/month (Total fees £6,300)

KDGB

increase of £25.50/month (Total fees £7,450)

We are always conscious of the fact that we are a charity specially established to deliver educational service to our children but with a difference, and the difference being that we include the teaching of Quran and Sunnah, Islamic *adaab*, Islamic culture and history. We strive to provide in addition to the national curriculum. There is no other motive or reason for this charity and its schools. We are sure that there is an understanding within the community of the undertaking and the purpose of this Trust. We therefore look forward to your continued support in our endeavour. May Allah SWT help all of us in our efforts. Ameen.

Wassalaamu Alaykum
