**MANCHESTER
GREAT BRITAIN**

Spring 2 2022

COMMUNICATION AND LANGUAGE

Reception will be encouraged to

- Give clear directions to friends to find items they have hidden.
- Learn and use new vocabulary such as :- local, area, community, environment, globe, country, town, satellite photograph, distance, route.
- Demonstrate an awareness of the importance of listening carefully and be able to model active listening skills in a variety of situations, and respond to directions and longer instructions

PERSONAL, SOCIAL AND EMOTIONAL DEVELOPMENT

- We will explore what makes a good friend and community member.
- We will try to think of ways we can be helpful in school and care for others.
- Talk about ways they can stay safe especially when using equipment or walking in the local environment.

QURAN

Memorisation: Surah Al-Maun

Revision: Surah al-Maun to an-Naas
(please ensure you child revises all surah)

Reading: Review letters with fathah, read two and three-letter words.

PHYSICAL DEVELOPMENT

We will be

- Using the large climbing frame and gymnastic equipment to develop balance, and core strength.
- We will be taking part in themed yoga lessons
- We will be playing group games using small bats.

ISLAMIC STUDIES

We learn from Allah's Prophets, Prophet Adam (as), Allah gives us families, Plants and environment, everything belongs to Allah.

LITERACY

- We will celebrate World book day .
- We will be looking at some space themed stories by the author Oliver Jeffers and we will create a story map for them.
- Pupils will write simple accompanying sentences to their story map.

UNDERSTANDING THE WORLD

- We will be investigating where the school is located and on their trips exploring the local environment they will learn to identify different features and decide whether e.g. a tree or a shop is man made or Allah made [natural].
- They will examine maps, atlases, globes and technology such as instant street view to explore their location from different perspectives.
- They will look photos of Muslims of different ethnicities and people from another religion [Christianity] celebrating a special time [weddings] and recognise that members of their community celebrate special events in different ways.

MATHEMATICS

- In Maths we will be focusing on exploring and comparing numbers 9 and 10. Pupils will develop confidence talking about the different ways they can make 9 and 10 and link subtraction facts to the composition of numbers.
- We will also be continuing to examine patterns and also the patterns within numbers.
- They will also look in more detail at 3D shapes.

PHONICS

- Reception will continue to learn phase 3 sounds [ar, or, ur, oi, ow, ear, air]
- Learn tricky words: They, was, you, all, look, her, are.

EXPRESSIVE ARTS AND DESIGN

- The pupils will explore space in their roleplay area and pretend to be astronauts, and aliens.
- Pupils will be given the opportunity to make and draw images of their environment and the planet earth.
