Dear Parents/Guardians,

Assalaamu Alaikum

This is to inform you of the slight change to the management structure of the MIET Schools.

We shall now be amalgamating the functions of the Headteacher with those of the Executive Head. Therefore, the title of Headteacher will no longer be used at both KD and the Girl's schools. We are glad to announce that Mrs. Mohammed will assume both the strategic and day to day management of both schools as the Executive Head of KD and the Girls School.

She will also continue to oversee the strategic affairs of the preparatory school in her capacity as Executive Head for this school. Mrs. Ghafari will continue to be the the Headteacher of that school.

The Senior Leadership Teams of the schools are performing admirably and providing the requisite support to the Executive Headteacher. The schools shall inshAllah continue to provide a service that fully meets your expectations.

May Allah bless you all for your continued support.
